

Theme 8 - Different Directions

by DICOMI

Stop, Ömer! I'm not finished yet!

It's okay... You will continue tomorrow anyway...

Not sure... But Carl said it was good...

How was your presentation, son?

I know, I know...

Thank God you don't have a language problem anymore. Do you remember when we first came...

We understand you, boy, but you need to understand us, too... It feels like yesterday...

THREE YEARS AGO...

Once again, there was no work today ... How can we go on like this?

Nothing to eat at home, the bazaar was not set either. Thank God Ömer ate at school today...

I talked to the neighbour that left last month. He said it was all good, also the economy. I was thinking maybe we also...?

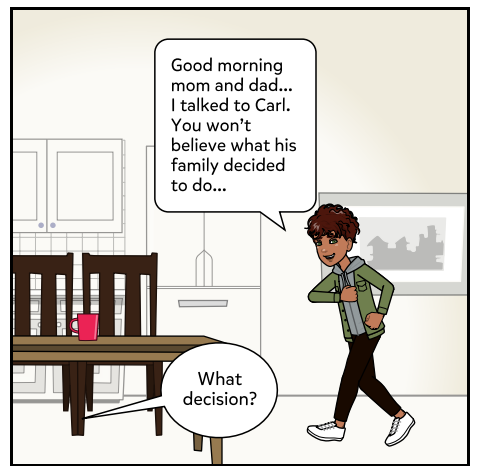

It is so hard to live in a foreign land. But Ömer... His education... I don't know...

We should decide carefully, for our future.

THREE YEARS LATER...

Good morning mom and dad... I talked to Carl. You won't believe what his family decided to do...

What decision?
