FIRST ONLINE MEETING

The first meeting of DICOMI was held online on February 12, 2024. The partners attend the meeting, introduced themselves and discussed the Project. The GANTT Chart, budget table, Project management and task distribution are discussed in the meeting. Also, the communication principles and Google Drive platform were introduced to the participants by the applicant institution, Yildiz Technical University. The participants finalized the meeting with best wishes for a fruitful Project and that they are looking forward to meet in person.

SECOND ONLINE MEETING

The second meeting of DICOMI was held online on June 14, 2024. After finalizing and reviewing the interviews, partners met online to discuss the module themes. Yildiz Technical University offered a group of themes for the modules. The themes were critically discussed one by one and a final version was created. The
