4. CONCLUSION 4

Funded by the Erasmus+ Program of the European Union. However, European Commission and Turkish National Agency cannot be held responsible for any use which may be made of the information contained therein.

1. INTRODUCTION

Here you are asked to describe the small-scale meeting organization.

2. DESCRIPTION OF THE PARTICIPANTS

Here you are asked to describe the number, occupation and the profile of the participants to your small scale meetings.

3. ANALYSIS OF THE MEETING

Here you are asked to describe the meeting place and time of the meeting. Please share how the meeting pursued and how actively the participants participated in the meeting.

2.1. RECOMMENDATIONS FOR STUDENTS

Please explain the participants' comments and recommendations for both immigrant and local students. Please refer to

- *How comics should be integrated into education for students?*
- *How inclusiveness for migration should be planned and practiced for students?*

Funded by the Erasmus+ Program of the European Union. However, European Commission and Turkish National Agency cannot be held responsible for any use which may be made of the information contained therein.

- *How digitalization should be planned and practiced for students?*

2.2. RECOMMENDATIONS FOR FAMILIES

Please explain the participants' comments and recommendations for both immigrant and local families. Please refer to

- *How comics should be integrated into education for families? Or how does comics education (Dicomi) affect families?*
- *How inclusiveness for migration should be planned and practiced for families? How were families affected by Dicomi implementation?*
- *How digitalization should be planned and practiced for families?*

2.3. RECOMMENDATIONS FOR TEACHERS

Please explain the participants' comments and recommendations for both immigrant and local teachers. Please refer to

- *How should teachers be supported for comics education?*
- *How should teachers be supported for inclusive education for both migrant and local students?*
- *How should teachers be supported for digitalization?*

2.4. RECOMMENDATIONS FOR DECISION MAKERS

Please explain the participants' comments and recommendations for decision makers. Please refer to

- *How to integrate comics education into curriculum, testing, etc.?*

Funded by the Erasmus+ Program of the European Union. However, European Commission and Turkish National Agency cannot be held responsible for any use which may be made of the information contained therein.

- *How to improve inclusive education at policy level?*
- *How to boost digitalization at policy level?*

3. CONCLUSION

Here you are asked to explain the conclusion of two meetings with focus on inclusion, digital comics and migration.

Funded by the Erasmus+ Program of the European Union. However, European Commission and Turkish National Agency cannot be held responsible for any use which may be made of the information contained therein.
